

A Thanksgiving Prayer

We thank thee Lord that we can boldly come before thy throne,
'Tis all made possible by the love from Calvary thou has shown.
Thank thee Lord for the cross of Calvary and Christ's shed blood,
For the one who repents of sin, it becomes a cleansing flood.

We thank thee Lord that thou art available to hear when needed,
We thank thee Lord that as thy children, our prayers are heeded.
We thank thee Lord for providing the needs we have every day,
You know just what we need even before we think to pray.

We thank thee Lord that thou art there with thy healing hand,
We thank thee Lord that we live in America, the greatest land.
We thank thee Lord that no matter what happens, you know best,
We thank thee Lord you are our fortress where we find rest.

We thank thee Lord for being there in the storms of life;
We thank thee Lord for thy peace in the midst of strife.
We thank thee Lord for thy salvation that is so full and free,
We thank thee Lord for opening blinded eyes that we may see.

We thank thee Lord for thy great mercy and thy amazing grace,
We thank thee Lord that one day we will see thy face.
We thank thee Lord that now everything is well with our soul,
We thank thee Lord for saving us and for making us whole.

We thank thee Lord for sending the rain to water the earth below,
We thank thee Lord for sun to shine making the crops grow.
We have much to be thankful for in so short a prayer,
Heavenly Father, thank you so much for your love and being there.

"Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God. And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus." (Philippians 4:6-7)
