

Is Evolution True?

In the publication of a well-known business we read this about the theory of evolution: “Ideas aimed at explaining how organisms change, or evolve, over time date back to Anaximander of Miletus, a Greek philosopher who lived in the 500s B.C.E. Noting that human babies are born helpless, Anaximander speculated that humans must have descended from some other type of creature whose young could survive without any help. He concluded that those ancestors must be fish, since fish hatch from eggs and immediately begin living with no help from their parents. From this reasoning, he proposed that all life began in the sea.”

Theory, no matter how well thought out, is still a hypothesis [a supposition or proposed explanation made on the basis of limited evidence as a starting point for further investigation.] without a legitimate leg to stand on. In the argument for evolution, those who promote the idea have yet to prove where it all began. Some will suggest a “big bang” theory but the question remains, for there to be a “big bang,” where did the elements that caused it to come from? In other words, something had to have existed for a “big bang” to occur and, this, they cannot do.

Countless numbers of books and articles, both pro and con, have been written on the theory of evolution. However, there is only one authoritative book that answers the question of, “Is Evolution True?” and that book is **THE** Book of books, the Bible. It was God who created the world and all that is in it. “In the beginning God [*Elohim*] created the heaven and the earth.” {Genesis 1:1} In Genesis chapters 1 and 2, we are told the process that God used and time period in which He did it. God could have created the world in a moment of time but chose six days to do it because there is a lesson to be learned. “In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by him; and without him was not any thing made that was made.” {John 1:1-3} The “Word” is Jesus Christ who is God the Son, the same person who assumed the body of man so that He could shed His innocent blood and die on the Cross of Calvary as the full and final payment of our sin debt. There is one God who manifests Himself in three distinct persons: God the Father, God the Son, and God the Holy Spirit. “For there are three that bear record in heaven, the Father, the Word, and the Holy Ghost: and these three are one.” {1 John 5:7} Jesus Christ is **THE** Word and He is also called the Lamb of God [John 1:29, 36; Revelation 5:6; 7:17; 14:10; 15:3; 19:9; 21:22-23; 22:1; 22:3] because, as a lamb, it was He who, as a lamb, was sacrificed on our behalf on Calvary.

It was God, in the person of Jesus Christ, who created everything that exists; planet earth, the solar system – God even calls the stars by name. “He telleth the number of the stars; he calleth them all by their names.” {Psalm 147:4} Everything, without exception, “...for he commanded, and they were created.” {Psalm 148:5}

Evolution is a lie created by Satan himself and he has been causing people to doubt God's Word, since he first said to Eve in the Garden of Eden, “And he said unto the woman, Yea, hath God said? {Genesis 3:1} People today continue to believe the lie of Satan; they do so when they accept the theory of evolution, believe it, and teach it to others and, by doing so, they are calling God a liar. God hates lying, “Lying lips are an abomination to the LORD:” {Proverbs 12:22} and those who are habitual liars will **NOT** go to Heaven when they die. God has a place for them! “But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.” {Revelation 21:8}

Evolution is a hoax! Look at the smallest insect and ask yourself how such a creature could exist. It can eat, move, reproduce, etc. Ask yourself how a caterpillar can create a cocoon and then after a process of time come out as a beautiful butterfly. Ask yourself how the swallows know exactly when to return to San Juan Capistrano each year. Ask yourself about your own body and how it functions or how a baby is formed in the womb of the mother. All of this without intelligent design but by evolution? Does a watch need intelligent design, or will evolution create it? Foolish, so foolish you say; evolution is also so foolish!

In the beginning it was God who created! This same God loves you so much that He wants to forgive and save you if you will repent of sin and trust Him as your Saviour. This same God of creation invites you to believe in Him. “For whosoever [that mean anyone!] shall call upon the name of the Lord shall be saved.” {Romans 10:13} We have His promise that He will forgive and save you. “These things have I written unto you that believe on the name of the Son of God; that ye may know that ye have eternal life, and that ye may believe on the name of the Son of God.” {1 John 5:13}

You can continue to believe the evolution hoax, or you can repent and trust Jesus Christ as your Saviour today. The choice, the decision is yours and yours alone to make. For the sake of your eternal soul, please repent and trust Jesus Christ today – before it becomes eternally too late.
