

Thank You and Here Are Two Tips

Tip #1 This tip is a token of my appreciation for your service. I know it's not much, but I do hope you will accept it in the spirit for which it is meant.

Tip #2 May I offer you a second tip? This one is worth more than money, and it has eternal rewards. Here is the tip!

If you have never trusted Jesus Christ as your personal Saviour, you need to, today, before it becomes eternally too late. I've enclosed a Gospel tract that explains salvation, and why you need to be saved. Will you please take time to read it, and give serious consideration to the state of your eternal soul? It's my prayer that you will. (John 3:16-18)

-Richard A. Ciarrocca

NOTE: This tract is designed to be used with another tract that shares the gospel. The second tract along with tip currency is put inside.
